Dear Parent/Carer,

Maths Market Week

We celebrated a very successful Royal Market Week last week which saw the children involved in a variety of activities related to developing and selling their own products that reflected our British values and celebrated the Queen's 90th Birthday. The children applied many of their skills including writing a persuasive letter, undertaking a marketing survey, taking part in a Maths trail, a mental Maths quiz and most importantly working together as a team. This culminated in our Royal Market Day on Friday. Thank you to all the parents who supported the day by attending or funding their children's purchases. Any a special thank you to the parents who volunteered their time to sell cakes and drinks. The community spirit at St Francis' is exceptional! We were able to raise **£970.18**

School Uniform

As the weather warms up please remember that for years 1-5 the jumper/cardigan is an optional part of the winter uniform so the children in years 1-5 should no longer be wearing their jumpers/cardigans. However, children in years 1-5 should continue to wear their blazers. Children in Reception and Year 6 are not required to wear the school blazers; but they are expected to wear the grey jumpers/cardigans. All children are permitted to wear navy blue shorts as a part of the summer uniform. Please remember that girls are no longer permitted to wear the gingham summer dress.
