### **Religious Education Survey**

The senior leadership at St Francis' has created a survey to gather parents' opinion on the teaching of Religious Education (RE). We are asking that you take a few minutes to complete this quick survey to support our continued improvement <https://www.surveymonkey.co.uk/r/RZYQJYX>

### **Lenten Appeal**

Thanks to your generosity and support for the Lenten Appeal we raised a total of **£1674.33** to benefit our two school charities, Ihogbe College and Royal Initiative Against Poverty and Starvation (RIAPS).

### **Relationship and Sex Education**

It has come to our attention that many parents are concerned about recent reports on social media and the news around what schools are teaching within relationship and sex education. As a school we want to reassure you that nothing has changed in terms of what we are teaching children appropriately about sex and relationships education, and nothing will change at this point.

As you know there are plans from government to change the law around what schools must teach around sex and relationships education from September 2020 in schools. When the plans become law we will be in contact, as we will want to consult with all parents around changes that might need to be made to our present provision.

If you have concerns that you want to raise with us as a school then please speak to myself or one of the Assistant Headteachers.
