7th April 2020

Google Classroom - Years 2, 3 and 4

Dear Parent/Carers,

It is important that we try as much as possible to ensure that your child continues learning at home during this enforced school closure. As a result, we have asked the teachers in years 2, 3 and 4 to trial using Google Classroom to support home learning.

However we need your help to see how well this works!

Therefore from Tuesday, 14th to Friday 17th April Maths work will be set if your child is in 2E, 2K, 3E, 3L, 4A or 4G. Each day your child's class teacher will set a different Maths activities that we ask your child to complete and submit before starting the next day's activities.

After this trial we will make adjustments and roll this out to the entire school starting on Monday, 20th April.

In order to access Google Classroom at home your child needs to be able to access their RM Unify account. The attached guide will help you to be able to do that. Your child will need to use their school username and password to log-on (the one that they used to log-on to the laptops). Most children will remember this, but for those who do not there is a copy of the username and password in your child's Computing book which they should have at home. If you cannot find this information please email the school at info@st-francis.newham.sch.uk or call the school to request it.

Headteacher: Ms Natasha Scott

Peace, Love, Knowledge

Each class has a school code that you will need to enter to access Google Classroom.

The class codes are listed below:

2E - fmcqtbk

2K - u4b3err

3L - w3j3pw6

3E - qswufcj

4A - c7acpz3

4G - vrwvjou

Thank you for your continued support.

Stay safe.

N. Scott
