Home Learning

Dear Parent/Carers,

We hope that you are settling into learning at home. We realize that this is a difficult transition and many of you are still finding your feet in terms of setting up a routine. Below is a suggested timetable that might help you to break up the day with your children.

Before 9am	Wake up	Eat breakfast-Get dressed
9:00 - 9:30	Get Active Time	Try one of the links on the school website
9:30 -10:00	Learning Time	English
10:00 - 10:30	Reading	Bug Club
10:30 - 11:00	Break time	
11:00 - 11:30	Learning Time	Maths
11:45 - 12:45	Lunch time - Eat together if you can	
1:00 - 1:30	Learning Time	RE/History/Geography/Science/French/Computing
1:30 - 2:00	Times table	TT Rock Stars

I will be writing to you again shortly to talk to you about Google Classroom. This is an online learning platform that teachers are currently trialing. This would provide us with an opportunity to set regular learning activities that you can do with your children and submit back to the class teachers. We hope to have this in place after the Easter holidays.

In the interim, we would ask that you complete the activities in the packs that we sent home with your child (or posted if your child was not in school), the activities allocated on Education City as well as daily practice of the times tables on TT Rockstars and reading on Bug Club. We realize that some of these websites are difficult to access
