## Summer Term Welcome

Dear parents/carers,

I hope you all had a restful Easter break and welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's ok if you and your child feel wobbly and worried at the moment. We're here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please use Google Classroom to send any questions or comments to your child's class teacher or give the school a call on 0208 534 0476.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with learning from home for most of our children and a small provision in school for vulnerable and key worker children.

But just because we're not all in the same building, doesn't mean we can't have some fun together! Your children will have lots of activities over the summer term - so keep a close eye on the daily activities on Google Classroom. **It is important that you know what your child is doing on Google Classroom and that you supervise their time on the internet. Please remind your children that Google Classroom is for questions or comments about learning only. Children who use Google Classroom inappropriately may have their access restricted.**

We also love seeing the children's fantastic learning at home - please keep submitting their work, I know we have had some difficulties in this first week with some of the children being able to submit their work, but we will iron out the issues and make improvements for next week.

Please contact me if you are having trouble accessing or completing this work due to the lack of appropriate devices or any internet issues.

Newham London

Peace, Love, Knowledge

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our utmost to keep your child learning and our school community connected.

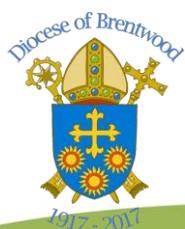

I pray that you and your family continue to stay safe.

Kind regards,

*N. Scott*
