3rd June 2020

Dear Parent/Carer,

Once again I would like to thank you for your patience and for the support you continue to give your children each day for online learning.

St Francis' is now in a position to go ahead with the wider re-open as planned from Monday, 8th June 2020. The reopening will be as follows:

- | | |
|---------------------------------------|--|
| Monday 8th June | Key worker/vulnerable children and Year 6 to return |
| Wednesday 10th June | Year 1 to return |
| Monday 15th June | Reception to return |

There will be a few changes that I would like to make you aware of and ask for your support in adhering to keep our children and staff safe.

We will operate a one way system in the school so **children will enter the school via the Bow Street entrance only and will exit via the Maryland Park exit only.**

Bow Street

Maryland Park

Headteacher: Ms Natasha Scott

Peace, Love, Knowledge

There will be a one way system that we ask parents to follow as you move around the school playground. There will be signs to indicate this.

For dropping off and picking up children only one parent/carer should enter the school playground. We ask that parents maintain social distancing at all times including when dropping children off to their classroom.

We ask that parents call the school (0208 534 0476) or email if they need to speak to someone at the school, but if you need to enter the school building there should only be one parent/carer at a time.

Peace, Love, Knowledge

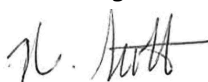

Please arrive to school for 8:45 at which point the children will go straight to their classrooms. You will also notice that the playgrounds will be zoned. The children will be told what zone they are allowed to play in.

I do realize that there are lots of changes for you and your children to get used to. We will be talking to the children about these changes once they return and support them to understand why we have made those changes. As always, we ask for your on-going support in adhering to the rules to keep our children safe.

We have missed having the children in school (and have really enjoyed having the key worker children in school each day). We are looking forward to welcoming your child back.

Kind regards,

N. Scott
