5<sup>th</sup> October 2020

Dear Parent/Carer,

### **Matthew 21:33-43**

#### The Parable of the Tenants

<sup>33</sup> "Listen to another parable: There was a landowner who planted a vineyard. He put a wall around it, dug a winepress in it and built a watchtower. Then he rented the vineyard to some farmers and moved to another place. <sup>34</sup> When the harvest time approached, he sent his servants to the tenants to collect his fruit.

<sup>35</sup> "The tenants seized his servants; they beat one, killed another, and stoned a third. <sup>36</sup> Then he sent other servants to them, more than the first time, and the tenants treated them the same way. <sup>37</sup> Last of all, he sent his son to them. 'They will respect my son,' he said.

<sup>38</sup> "But when the tenants saw the son, they said to each other, 'This is the heir. Come, let's kill him and take his inheritance.' <sup>39</sup> So they took him and threw him out of the vineyard and killed him.

<sup>40</sup> "Therefore, when the owner of the vineyard comes, what will he do to those tenants?"

<sup>41</sup> "He will bring those wretches to a wretched end," they replied, "and he will rent the vineyard to other tenants, who will give him his share of the crop at harvest time."

<sup>42</sup> Jesus said to them, "Have you never read in the Scriptures:

"The stone the builders rejected  
has become the cornerstone;  
the Lord has done this,  
and it is marvelous in our eyes"<sup>[a]</sup>?

<sup>43</sup> "Therefore I tell you that the kingdom of God will be taken away from you and given to a people who will produce its fruit.

Jesus, you too were thrown out and killed. But you took no revenge. Instead you excused your torturers and by your love you reconciled everyone with God. You showed what divine love is like. You love us totally, no matter what we do. May we always wish others well, and pray for them instead of taking revenge on them when they hurt us.

### **Black History Celebration**

We began our annual black history celebration on Monday, 28<sup>th</sup> September. The theme this year is Journeys:

-  Journeys of progress
-  Journeys of migration
-  Journeys of endurance

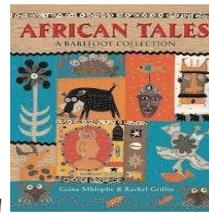

Newham London

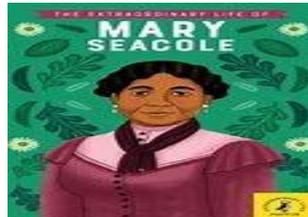

Headteacher: Ms Natasha Scott

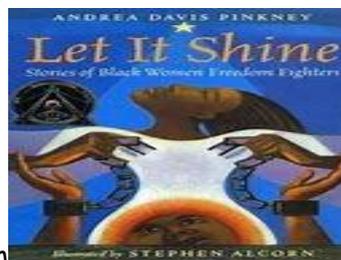

Each year group will focus on a different journey:

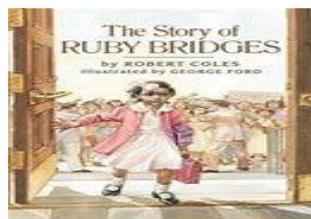

Nursery, Reception and Year 1 - The Journey of Story Telling

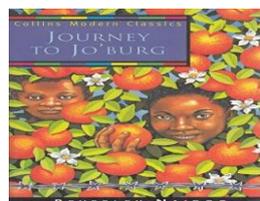

Year 2 - The journey of Mary Seacole

Year 3 - The Journey to Freedom

Year 4 - The Journey to Equality

Year 5 - The Journey of Nelson Mandela

Year 6 - The Journey to Britain

Due to the current situation we are not able to have an assembly to share what the children have learned with parents/carers this year, however the children will be making recordings of their learning that we hope to share on the school's website.

Newham London

Headteacher: Ms Natasha Scott

### **After School Slubs for After Half Term**

The new after school clubs for after half term will be available this week on Parent Pay. Please look out for the text/email about the availability of the clubs. The clubs are booked on a first come first serve basis.

### **Catholic of Certificate Practice for Secondary School Applications**

Parishioners of St Francis Church who need their catholic of certificate practice signed by the priests should call the parish office to make an appointment. We are aware that due to the current situation Mass attendance has not been the same for many people and the priests will be taking that into consideration. **If you are not able to get your form signed please do still complete an application to the Catholic secondary schools.**

### **Parking Complaint**

A complaint was sent to the Mayor of Newham recently that expressed concerns about (amongst another things) the parking practices of parents at dropping off and collection time. I do realize that we are in incredibly difficult times and the new low traffic neighbour road closure is causing some difficulites in delays and congestion around the school. As I have said in previous letters, if you are concerned about this please contact your local councillor. The school was not involved in the consultation around this and does not have the authority to make any changes to this.

We realize that many of our parents/carers are in a hurry to get to work, school, etc after dropping off their child (we also realize that many of our parents are key/critical workers). We know that these are incredibly challenging times and for many public transport is not an option. However, as parents you represent the school in your behaviours in and around the school. Therefore it is important that all parents are following the rules of the Highway Code and are remembering to be considerate in their parking and driving habits; this includes parking in the Maryland Square/Thorogood Gardens entrance, and blocking in other cars and making it difficult for cars to turn round.

We encourage parents to walk or cycle to school if possible. We will begin cycle proficiency training with some children in KS2 after half term and we are also investigating cycle schemes that the school may benefit from.

We want to make this work so that parents are able to bring their children to school without barriers and for our neighbours to not be inconvenienced by our behaviours. I am happy to discuss this further with parents, please let me know if you have any ideas to improve this situation.

### **Recovery/Catch-up Curriculum**

You will be getting a recommended reading lists of books this week for your child depending on the year group they are in. A copy of this list will also be available on the school's website <https://st-francis.newham.sch.uk/learning/>

### **Coronavirus Update**

We heard from the prime minster that we are at a "turning point" across the United Kingdom in our

journey to stop the spread of coronavirus. We all have a role to play in this effort and it means we need to work together for the collective good of the entire community.

Thank you to the parents who are supporting our efforts to ensure that our school remains Covid secure. However, we ask that parents remember the following:

- ✓ When on the school premises please maintain a 2meter distance from other parents, children and staff. Do not go past the yellow lines at the classroom doors unless instructed by a member of staff.
- ✓ Follow the one-way system on the playground for dropping off and collecting children.
- ✓ Parents need to drop off and collect their children promptly. **Please do not stay in the playground to talk to other parents, any conversations need to happen away from the school premises.**
- ✓ There should be one parent dropping off and picking up
- ✓ If your child has a symptom of Coronavirus please keep them at home:
  - you have a high temperature
  - you have a new, continuous cough
  - you've lost your sense of smell or taste or it's changed

If a child has symptoms of coronavirus they should get a test. If this is not possible, then self-isolate for 10 days. If your child is not in school, please call the school to let us know why they are not in school so we can track absences and follow up as appropriate. **If your child is off with coronavirus symptoms we need to know for the safety of the entire school community.**

We will be reviewing our current systems and will make changes as necessary to ensure that the children, staff and parents on site remain safe. **As a result, from after half term we will run our after school sports clubs in bubbles only; this will mean that we will run less clubs than normal. We will be sending out the club offer letter so parents have enough time to make child care arrangements if their child does not get into a club.**

### Party bags

Due to the current situation, we are temporarily unable to accept party bags for children's birthday. I know this will be disappointing, but I hope you understand the need to avoid having too many items from home coming into school.

### Twitter

St Francis' is now on Twitter! Our Twitter handle is **@CatholicFrancis**. Our tweets can also be accessed on the home page of the school's website site.

God Bless.

N. Scott  
Head Teacher
