How to access Google Classroom using an Xbox or PlayStation 4

Xbox

Xbox consoles have access to **Microsoft Edge**, which is the web browser that comes preinstalled on the console. Using Microsoft Edge, you can access Google Classroom.

1. Plug in a wired keyboard into your Xbox One/Xbox Series X or Xbox Series S via one of the USB ports on the front or back of the console.

2. Go to your **Home** screen and then go into **My Games and Apps**

3. Click on, '**See all**', and scroll down to '**Apps**' and you will see the **Microsoft Edge** logo / . Select **Microsoft Edge**.

4. Type in **classroom.google.com** into the address bar at the top

5. Using your St. Michael's Google login details *(ending with -> @st-michaels.newham.sch.uk)* log on to Google Classroom.

6. You can either use your Xbox controller to move the cursor or use a separate USB mouse, which can be plugged into one of the USB ports on your console.

PlayStation 4

1. Go to the *Library* section on your PS4 and select it.

2. Within the *Library,* use the search bar to type in '*Internet'.*

3. Select the PlayStation internet browser icon

4. **Start** the Internet Browser and press the triangle button on your controller to search

5. In the search box type in- classroom.google.com

6. Enter your St. Michael's Google login details *(ending with -> @st-michaels.newham.sch.uk)* and log on to Google Classroom.

NOTE

- *In some cases, you might not be able to do everything you can usually do on a laptop or PC, when using a console to access Google Classroom. However, at the very least, you can access Google Classroom and see what work your teacher has assigned for you to do.*

- *Using your console controller to type can be difficult*
