

# PE Sports Grant Report 2020-2021

*"As followers of Jesus and St Francis we pray, that we are instruments of peace, learning to love and be loved, embracing our differences and striving for excellence in all we do. Amen"*

Total number of pupils grant is based on: **316**  
 Amount of PE Sports Grant Received: **£19,160**  
 Funding Rate: £16,000 plus £10 per pupil

## Objectives in spending the PE & Sports grant:

The objectives of the grant spend:

- To improve levels of participation in PE and sports for pupils across the whole school.
- To enhance our pupil's wellbeing through participation in a wide range of sporting activities.
- To give a wider group of pupils the opportunity to take part and represent our school at competitive sports.
- To encourage a love of sport and physical activity.
- To enhance the skills set of teachers
- To enhance Breakfast Club provision by the introduction of games and other physical activities.

## Enhanced Provision

Objective	Activity	Cost	Impact
To improve levels of participation in PE and sports for pupils across the whole school.	Annual membership of sports alliance		Through membership of the sports alliance the school has taken part in a wide range of sporting competitions in hot potato, athletics, handball, football and basketball for pupils in year groups 1 to 6. <b>Not this year due to lockdowns and COVID</b>  This also provides a network forum for the PE Leader so that good practice can be shared. It also supports continued professional development of the school's PE and sports provision. School staff work alongside specialist coaches to improve the teaching of PE.
To enhance our pupil's wellbeing through participation in a wide range of sporting activities.	After School Clubs	£1,274	The school has an extensive After School Club programme offering: quad kids, tennis, football, basketball, bowling, multi-sports, handball, netball, dodgeball, karate, athletics, gymnastics and baking which incorporates healthy eating as well as other class based none sporting activities.
To encourage a love of sport and physical activity.	Sports days (bubbles) Equipment and medals	£1,011	Sports Day Resources This year we were able to have our sports days once again (albeit in bubbles and no parents to ensure we follow government guidance)
To encourage a love of sport and physical activity.	Various Assemblies	£2,000	Life Channel screen in playground gives information about healthy life styles and game play.  Fitness equipment is available in the KS2 playground for free play. This is use by the KS2 children at break time and lunch time. The equipment is popular and well used by KS2 pupils.
		£41,055	Two climbing walls for KS1 and KS2 playgrounds

<p>To enhance the skills set of teachers</p> <p>To enhance Breakfast Club through sports and game play.</p>	<p>Games and sports</p> <p><b>Total spend</b></p>	<p>£992</p> <p><b>£44,532</b></p>	<p>(from previous year)</p> <p>Sports Science &amp; Healthy living targets are incorporated into PE lessons to raise awareness of life styles choices.</p> <p>Pupil opinion is sought annually through by two questionnaires asking which aspects of the PE lessons pupils enjoy. Results are used to inform planning and PE lessons are modified to reflect pupil opinion e.g fitness is no longer taught on its own it is incorporated with game play.</p> <p>External coaches and pupils from a Secondary school in the sports partnership work alongside teachers delivering sports days. <b>Cancelled this year due to COVID</b></p> <p>A member of staff works with pupils who attend breakfast club playing games and indoor sports.</p> <p>(Allocation this year is £19,160 less total leaves £25372 to be paid for by future grants)</p>
---	---	-----------------------------------	---

Of our year 6 cohort of 51 pupils: 32 felt they were confident and proficient over a distance of at least 25 meters. 26 felt they could use a range of strokes effectively and 17 felt they could perform safe self-rescue in difficult water based situations.

**Next Steps:**

*To continue the programs above as well as:*

- **Re start lunchtime training**
- **Go back to competitions when government guidance allows it.**
- **Have wellbeing speakers back in school when we can have whole school assemblies again (or maybe in phase groups)**
- *Continue to identify inactive vulnerable pupils and engage them in activity to increase physical wellbeing.*
- *Raise awareness further of healthy lifestyles choices, in order to raise pupils' confidence in making good choices for a healthy eating and active lifestyle through assemblies.*
